

# Domaine DAVANTURE CÔTE CHALONNAISE ROUGE 2023

The 2023 vintage in the Côte Chalonnaise was shaped by a mix of weather challenges and favorable ripening conditions, resulting in wines of freshness and finesse.

Reds are marked by ripe red fruit, soft spice, and silky tannins, offering both early-drinking appeal and good aging potential.

Overall, 2023 is considered a successful and harmonious vintage, offering accessible yet characterful wines across the appellation.
