

Domaine Guy Farge

Domaine Guy Farge, Terroir de Granit, AOC Saint-Joseph, Rouge, 2022

AOC Saint-Joseph (Vallée du Rhône), Terroir de Granit, Red 2022

Terroir de Granit bears the identity and the character of Saint Joseph: red fruit, terroir, tight tannins, beautiful structure and freshness.

THE WINE

Terroir de Granit is a wine made with 60 years old vines on granitic soils around the town of Saint Jean de Muzols.

THE VINTAGE

The 2022 vintage in Saint-Joseph was marked by a hot and dry growing season, leading to early ripening of the Syrah grapes. Despite the challenging conditions, the wines produced are characterized by their balance, elegance, and expressive fruit profiles. Thomas Farge employed gentle extraction techniques to avoid harsh tannins, resulting in wines that are approachable yet structured.

SITUATION

Saint Jean de Muzols Village

TERROIR

Granitique

WINEMAKING

2 months with whole stem (about 60%) - Refueling and shedding daily - Indigenous yeast

MATURATION
